

SPONSORSHIP BROCHURE AND PARTNERSHIP OPPORTUNITIES

THANK YOU FOR TAKING A LOOK AT OUR CLUB

With promotion gained back into the London Leagues, the club is back playing competitive rugby with strong clubs across the county

Canvey RUFC was founded in 1970 and has a proud 50 year history of providing an excellent environment for all ages & abilities to come and learn, enjoy and play rugby

We have always been a strong community focused club. We hold annual events at the club that support some well known local charities

Today the club has over 200 boys and girls learning and developing their skills through our Mini, Junior & Youth sections. We have won national awards for our work in this area

The senior set up has 3 adult male sides, a Touch rugby side and is looking to start the club's first female side.

We look forward to welcoming new partners to our club so that we can continue to do our work within the community and continue to grow!

SENIOR RUGBY

The Senior set up currently has 3 adult teams. The 1st XV that gained promotion back into the London Leagues and made the semi finals of the Regional Vase. The 2nd XV (Stacks) who narrowly missed out on promotion this year. The 3rd XV (Gnu's) who are reformed after a 10yr absence, such has been the recent growth in senior players at our club...

The growth in Senior players “bucks” the trend across the game. We do things slightly differently at Canvey Island Rugby Club and it seems to be working...

MINI & YOUTH RUGBY

Come to the club on a Sunday morning and you will see hundreds of boys and girls playing with as much pride and passion as the senior sides of the club.

The Mini & Youth section of the club is one of our greatest success stories. Starting out just 3yrs ago with 7 children we now have 200+ children

The club has won national awards for our work in this area and we have been the subject of RFU films, our children have played at Twickenham and some are taking part in Saracen academy training sessions

Whilst all this is nice, real success in the eyes of our club is a child smiling, enjoying and gaining confidence from the game of rugby

COMMUNITY

Canvey Island Rugby Club has its roots and ethos firmly embedded in the local community
We have strong current and historic ties to many of the schools in the area.

We hold regular school rugby tournaments and host FREE school holiday rugby camps

The Youth Community Group of the year was awarded to Canvey Island Rugby Club in recognition of the contribution we have made to the youth on Canvey in the last couple of years

Canvey Rugby Club has always and will continue to support the community and local charities
