Breading, Alex (A.P.)

Members of Canvey Island Rugby Union Football Club (CIRUFC) enjoy the opportunities and rewards of a community based sports club combined with affiliation to county and national rugby union associations. It is subsequently expected that members will uphold the ethos of the club in all social media interactions. Members will not act in such a way that the image of CIRUFC is brought into disrepute nor in a way that harms the immediate and wider rugby community.

Social media can be, when appropriate, an effective tool and is commonly used by the CIRUFC community to disseminate information, express their views, comments, ideas and criticism on a whole range of issues. CIRUFC expects members to use social media in a respectful and responsible manner. Social media should not be used to insult, present offensive or inappropriate content or to misrepresent the club or any member of CIRUFC or the external rugby community.

The purpose of this policy is to set standards of behaviour for the use of social media that are consistent with the broader values and expectations of the CIRUFC community.

- ❖ Any Member wishing to set up any social media interaction which contains any CIRUFC branding, whether explicit or implied, must seek approval of the Executive Committee and agree to moderate the content in accordance with this policy.

A breach of this policy may also involve a breach of other CIRUFC policies, and should be read in conjunction with the RFU, and CIRUFC, codes of conduct, which apply to all members regardless of category or role

A breach of this policy will be considered by the committee, or their delegates, and will be dealt with in the current disciplinary structure on a case-by-case basis.

All reports of cyber bullying and other technology misuses will be investigated fully and may result in notification to the police where CIRUFC is obliged to do so. Sanctions may include, but are not limited to, suspension, or banning from membership of CIRUFC. Members must be aware that in certain circumstances where a crime has been committed, they may be subject to a criminal investigation by the police over which CIRUFC will have no control.
